SEVT

The Federation of Hellenic Food Industries

- **Represents** the Greek Food & Drink Industry at national, European and international level.
- **Membership** is made up of food and drink companies and sector associations.
- Member of the Confederation of the European Food & Drink Industries - FDE

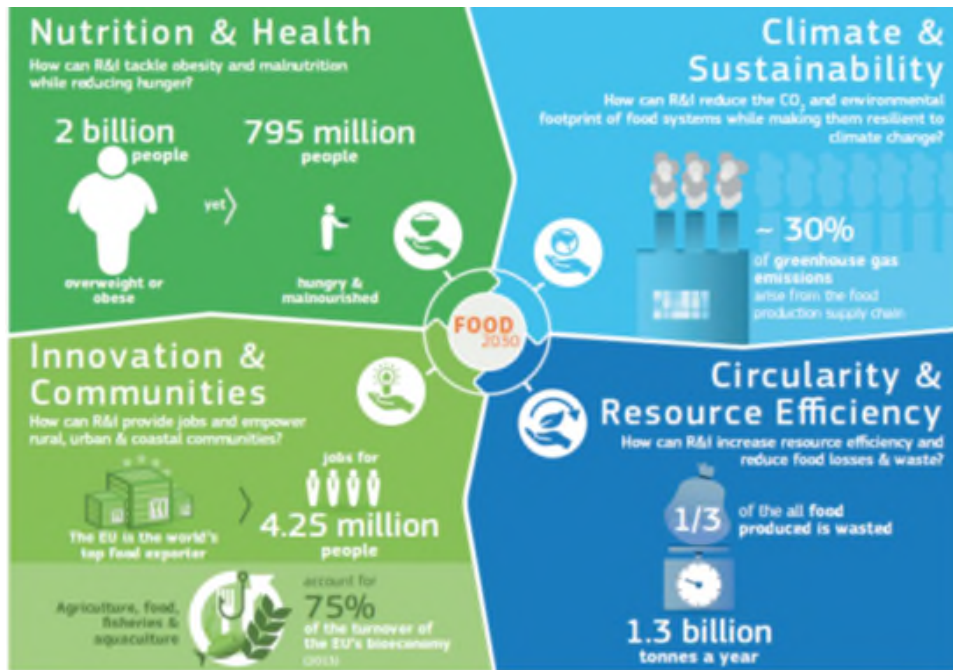

The Federation of Hellenic Food Industries

The **mission** is to facilitate the development of an environment in which all food and drink companies, whatever their size, can meet the needs of consumers and society, while at the same time competing effectively for sustainable growth.

SEVT Priorities

The challenges we can't ignore

- **Food and Nutrition Security** - Raise of global population (2050 - 9.7 billions).
- **Climate change & resource depletion.**
- **Nutrition & Health** - raise of non-communicable diet-related diseases
